

Software license agreement

Please install the program only after you have carefully read through this software license agreement. By installing the software, you agree to the terms and conditions of this software license agreement.

The program package contains programs and associated documentation, hereinafter referred to as "works". The works are protected by copyright. Linguatec or third parties have property rights to these works. If the rights belong to third parties, Linguatec has appropriate rights of use to the works. Linguatec authorizes the legal buyer of the program package (customer) to use the works in accordance with the following conditions. The right of use becomes null and void if the customer violates these conditions of use, or the right of use is cancelled in accordance with the following regulations.

The customer is entitled:

1. in agreement with copyright law, to use the program for the purpose of processing or for observing, investigating or testing on one computer for their own purposes.
2. to prepare machine-readable or printed copies including a backup from the machine-readable part of the program, as long as this is necessary for use in accordance with the agreement. Use within a network is not permissible however. Specific programs can include mechanisms that restrict or prevent copying.
3. to use and publish the audio files generated by the program license free for one's own purposes. If the customer uses the program for the commercial generation of audio files for third parties, then third parties must obtain individual licenses from Linguatec.

The customer is not entitled:

1. to replicate and translate the works or even partially decompile the machine language code (object code) of the works into any other code form in any manner other the one described above. The right to decompilation in certain exceptions in accordance with copyright remains unaffected.
2. to rent or to lease the works.
3. to transfer the works including these conditions of use to a third party (new buyer) without previous written consent from Linguatec or to allocate sublicenses to third parties.

Furthermore, the customer shall enclose the copyright notice included in the works in each copy, each revision and all program modules of the works that are connected to other programs, as well as on the associated data carriers. All copies of the works including all program modules are also subject to these conditions of use. If the license holder is in breach of these agreement provisions, he/she shall be obliged to return the software package to Linguatec without delay.

The licensor, his employees and representatives shall only be liable for any contractual or non-contractual damage if the damage can be attributed to gross negligence or a deliberate act. Liability for secondary damages is excluded in all cases.
